

COMMERCIAL ALBURY BRIDGE CLUB

JUNE 2019 NEWSLETTER

Officially, it is winter now and it seems to be a really bad year for coughs, colds and the flu so any Members suffering any illness are advised that they should stay at home until fully recovered.

Two good events this month, the first being the Wodonga Congress commencing on Friday, 14th June and the second is our annual Daphne Allen Memorial Day on Friday, 21st June. Our **Daphne Allen Day** is a really great fun day and for any members worried about playing against any of the “big shots” just remember that you only have to play ONE board against them. We will play two sessions, registration from 9.30 for a 10 o'clock start, followed by lunch and then continuing with the afternoon session. The cost for the day is \$7.00.

Members are also advised that there will be no Bridge on Saturday, 15th June due to the Wodonga Congress.

AUTUMN PAIRS RESULTS

1. Val Sanderson and John Friesen
2. Mary Prowse and Richard Harman
3. Sue Miller and David Brown

Congratulations go to the winners and place-getters on their excellent results and well done to all who participated in this prestigious event.

I DECLARE

Also included with this month's Newsletter is the first of a series of occasional articles entitled "I Declare" by Richard Harman. These will be accounts of a mythical Bridge Club featuring a cast of colourful characters and interesting hands. Enjoy.
