

# COMMERCIAL ALBURY BRIDGE CLUB

MAY 2020 NEWSLETTER

First and foremost - Not all Hairdressers are closed so no grey ponytail! Unfortunately beauticians are still a no-no.

Needless to say there is very little to report since the last Newsletter, though it seems that things are starting to improve so hopefully we can start to resume a more normal existence soon.

For those of you who don't know, poor Ria suffered a fall and has broken her arm which has left her quite incapacitated. I spoke with her today and she said that Hans is doing a great job with the cooking and housework though I'm sure he couldn't compete with Ria as far as baking goes. Ria and Hans have also welcomed their 14<sup>th</sup> great-grandchild into the family.

Lois would like to thank the Bridge Club Easter Bunny for making some members very happy with beautifully sewn items personally delivered on Easter Sunday.

I would love any Members to forward any happy or funny stories to go in our Newsletter otherwise it will just be members birthday wishes.

## FROM PRESIDENT ANN

Hi Everybody,

I hope you are all coping well with the enforced isolation, and keeping busy. Pam and I are playing StepBridge on line, and we really enjoy it. At least it prevents our bridge brains from rusting up completely.

I feel it will still be quite some time before we can all meet together again for our regular bridge sessions. Firstly the Commercial Club has to reopen, and then we have to be allowed to sit around the bridge tables, which means closer than 1.5 meters distance.

My house is sparkling, and my garden is weed free. My cupboards have all been sorted out and cleaned, and I am walking regularly. But I really miss my Keep Fit activities, and especially all my friends at Bridge. I look forward to seeing you all as soon as the isolation rules are lifted. Until then look after yourselves, stay safe and healthy.

Ann

President
